MB Docket No. 07-148

Quarterly Report of PCS Partners, L.P.

PCS Partners, L.P. ("PCS Partners") is the licensee for the following Lower 700 MHz "B" block licenses which were granted on January 6, 2009:

Market Number	Market Name	Call Sign
CMA 115	Utica-Rome, New York	WQJU704
CMA 151	Poughkeepsie, New York	WQJU705
CMA 207	Jackson, Michigan	WQJU706
CMA 321	Arizona 4 - Yuma	WQJU701
CMA 323	Arizona 6 - Graham	WQJU702
CMA 554	New Mexico 2 - Colfax	WQJU703
CMA 616	Pennsylvania 5 - Wayne	WQJU707
CMA 623	Pennsylvania 12 - Lebanon	WQJU708

The following summarizes PCS Partners' outreach efforts for consumer education on the DTV transition for the quarter ended March 31, 2009.

Utica-Rome, New York (CMA 115)

Submitted to Time Warner Cable, Inc. a flyer for display on their public access channel serving the Utica-Rome, New York market.

Poughkeepsie, New York (CMA 151)

Submitted and confirmed a flyer is being shown on the Time Warner Cable, Inc.'s public access channel 23 serving the Poughkeepsie, New York market. The flyer is being shown on the community calendar program in a rotational billboard style. Flyer is being shown periodically per hour, Monday through Friday starting March 30, 2009.

Jackson, Michigan (CMA 207)

Submitted and confirmed a flyer would be shown rotational billboard style on JTV, Inc's local programming show serving the Jackson, Michigan market. Flyer is scheduled to be shown 30 times per month for one month beginning March 16, 2009. PCS Partners paid an advertising fee for this broadcast.

Yuma, Arizona (CMA 321)

Submitted and confirmed a flyer would be shown on Time Warner Cable Inc.'s channel 2 serving the Yuma, Arizona market. Flyer was shown four times per week for the period March 6, 2009 – April 5, 2009. PCS Partners paid an advertising fee for this broadcast.

Graham, Arizona (CMA 323)

Submitted and confirmed text describing the DTV transition was shown on Cable ONE, Inc.'s public access channel serving the Graham County, Arizona market. Text was formatted by Cable ONE, Inc. and broadcast two times per hour for one week starting March 6, 2009.

Colfax, New Mexico (CMA 554)

Submitted and confirmed a flyer would be shown on Comcast Cable's channel 17 community information channel serving Colfax County, New Mexico from March 27, 2009 through May 31, 2009. PCS Partners paid an advertising fee for this broadcast.

Wayne, Pennsylvania (CMA 616)

Submitted and confirmed a ticker crawl with facts on the DTV transition would be run on Blue Ridge Communications TV-13 serving the Northeast Pennsylvania market. Ticker will be shown 24 hours per week for four weeks beginning March 31, 2009.

Lebanon, Pennsylvania (CMA 623)

Submitted and confirmed a ticker crawl with facts on the DTV transition would be shown on Comcast Cable serving the Lebanon, Pennsylvania market for two weeks beginning April 13, 2009.

Respectfully submitted,

PCS PARTNERS, L.P.
